Rules and Regulations of The Unicorn Faction

The Unicorn Faction or any persons so appointed by The Unicorn Faction cannot be held personally liable or responsible for any injury or damage to any individual participating in any The Unicorn Faction event.

The Unicorn Faction cannot be held responsible for any damage to, loss or theft of any personal or communal property during any The Unicorn Faction event.

The Unicorn Faction operate a strict 'No card, no effect' policy. Any and all special items, poisons etc must be disclosed prior to booking. There are no exceptions to this rule.

LRP is a potentially dangerous hobby and I agree to act in a reasonable and safe manner during any LRP event.

I understand and agree that The Unicorn Faction reserves the right to refuse admission or participation in any event or part of an event to any individual at any time. The organisers are not obliged to give any reason or explanation for such a decision, but one can be supplied after a request in writing.

Metal weapons or tools are **not** to be carried on site. Camping knives may only be carried in direct proximity to allocated camping areas. The organisers will expel any individual engaged in illegal, defamatory or dangerous practices during the event. "It's funny" is not an excuse. The Organisers' decision is final in all disputes.

The Unicorn Faction and Unicorn Faction Command use the Lorien Trust LRP **version 3.0** Rules System. The Lorien LRP System is copyright to the Lorien Trust 1996.

Event Information

Something festers in the heart of Forest Isle. Something has corrupted this once beautiful island and made it a place of disease and decay. The plants wither and die and the people, Cathayans and Unicorns alike, sicken from drinking the polluted water. The Cathayan colonists who live there were cut off from the Cathayan Empire when their homeland closed its borders, and now appeal to us for aid. And we shall give it.

We believe we know the source of this pestilence and death; a malevolent creature released from the Manifest. We will not rest until it is destroyed and the lands made whole once more. I therefore call all Unicorns, allies and friends to muster on Forest Isle this autumn, and join in the cleansing of Forest Isle.

I invite all of you to my home on Forest Isle, where the Salandrian Court and the Cathayan colonists will provide joint hospitality.

Nexa Skybreaker,

Governess of Mauritanja
